

12 Products to Help You Fake the Head-to-Toe Glow of an Island Vacation

Headline by [Christene Carr](#) - February 2, 2017

Nothing beats the sun kissed glow of an Island vacation, especially when you can flaunt it during a long winter living in a place where a Cheeto is president. Sigh. We are several weeks away from winter's end which means we'll be covered from head to toe and praying our skin doesn't crack and become unrecognizable by spring. If you don't have the luxury of a warm getaway to kick start your spring/summer, these products will help you fake the head-to-glow of an island jaunt.

Makeup To Glow

Topical glow getters are great because results are instant! You also have the flexibility to be as lit as a lightbulb in any area you so choose.

What if I told you that you could wear silky stockings on your entire body without getting crazy looks? Good news, you can! Votre Vu's Silk Stockings is a lightweight moisturizing 'glowtion' that blurs the look of imperfections and imparts radiance wherever it is applied. I have dark skin and this works on me.
