Bridal Makeup to Match Your Bouquet

By [Bryce Gruber](#)
Contributing Writer

Your bridal makeup is basically a blank canvas to express all the most unique parts of your personality, and matching elements of your beauty look to your wedding bouquet can be a timelessly chic way to pull your whole theme together. We rounded up the best bridal makeup to match your favorite floral arrangements on your big day.

ROSES: VOTRE VU VU ON ROUGE LIP AND FACE COLOR

This versatile little do-it-all stick is the perfect purse companion for the big day for quick touchups on everything from your lips to your cheeks and even blended cleavage contouring. The Ma Cherry shade is a glorious rosy red color that'll make you feel like your most elegant French self, and it's easy enough to apply and blend with fingertips.

Votre Vu Vu-On Rouge, \$29, votrevu.com.
