Your mother raised you right and taught you to never show up to a party empty-handed. But what, exactly, should you gift your hostess that's not the same old bottle of wine everyone else already brought over? The answer, you party animal, is (of course) beauty products!

From luxury candles she'd never dare buy for herself to liquid lipsticks that look great on everyone (even the hostess you don't know that well), we promise these ideas will get you invites to all the best parties this holiday season. Ahead, find 30 pretty things your hostess has never received before.

Votre Vu Bébé Duette Lip Balm & Hand Crème

Everybody likes a twofer product, especially of the fancy French variety. This [Votre Vu Bébé Duette Lip Balm & Hand Crème](#) (\$24) nourishes both the mouth and hands and will definitely earn its spot as one of the most-used items on her vanity.
