## 8 Fall Makeup Trends

By Renée Loiz on September 15, 2016

The Fall is here and for some, that means taking out your warm sweaters and boots. But for this SoCal girl, it means switching up my makeup to warmer colors! This season makeup brands are bringing it back to the 90's with earthy eye shadow colors, rich berry lips, and matte skin. Below I've reviewed 8 Fall Makeup Trends. Keep reading to find your favorite.

### All About Eyes

Glitter has never been easier to wear thanks to [Votre Vu's Chablis Eye Pencil](#). This antique golden liner has subtle flecks of glitter and looks best when lined at the lash line and smudged in for a lived in look.
