As temperatures continue to rise, our initial instinct is to dig into our summer wardrobes for shorts and dresses, which put our legs on full display.

If you haven't found quite enough time to counter the dry, pale skin of a Seattle winter, check out these quick fixes that not only hydrate but also make legs appear luminous and bronzed.

**Votre Vu Silk Stockings** (\$34 at [votrevushop.com](http://votrevushop.com)). All-natural French brand Votre Vu infused this lotion with vitamin E and extracts of calendula, linden and chamomile to mask the appearance of tiny veins and imperfections. The radiant pigment adds the finest touch of bronze and shine.
